HIGH WAY TO HEAVEN

Women in God's Service

For by God's grace I say to every woman, don't put yourself on a pedestal, or in the dirt.

Realistically see yourself with the faith God has given you.

Each of us (women and men) has a body of different parts.

The sisterhood has different parts and we are part of Jesus' body, the church

We have different gifts that vary due to the grace of God.

If a woman's gift is prophecy, let her prophesy with faith.

If a woman's gift is serving, let her serve.

If a woman's gift is teaching, let her teach.

If a woman's gift is encouraging, let her encourage.

If a woman's gift is helping through giving,

let her do it with generosity.

If a woman's gift is leadership, let her govern with diligence

If a woman's gift is showing mercy, let her do it cheerfully.

Romans 12:3-8
